Brulin Breaker®

EXTRA HEAVY-DUTY POWER STRIPPER

DIRECTIONS

- 1) Dust mop.
- 2) Mix depending on build-up.
 - Heavy (1:4)
 - Moderate (1:8)
 - Light (1:12)
- 3) Liberally apply and wait 5-10 minutes, keeping floor wet with solution.
- 4) Agitate with a black stripping pad, floor machine with brush, or by hand.
- 5) Collect solution slurry with vacuum or mop and bucket.
- 6) Rinse (repeat if necessary) and allow floor to dry before applying finish.
