

TerraGreen® ZF Environmental Finish

GREEN SEAL® ZINC-FREE FLOOR FINISH

TerraGreen ZF Environmental Finish is a zinc-free, ready-to-use floor finish designed for all VCT & LVT floor care programs. With high-traffic durability, it extends the time between scrub & recoat cycles and provides a lasting gloss, resistant to marks and scuffs. Its low-odor formula makes it ideal for 24-hour facilities, confined spaces, or areas with limited ventilation.
