

Industrial Facility Maintenance Solutions

Performance, Safety, Quality & Cost Control

Performance, Safety, Quality & Cost Control

Performance

One stop source for all your chemical cleaning needs. Multi-functional products deliver optimum cleaning performance from light to heavy-duty applications. Concentrated products allow you to vary the dilution rate to meet the range of cleaning required in all areas of your facility.

Safety

Programs developed with worker safety and training in mind. Coordinated packaging and procedure cards streamline efficient implementation of your facility maintenance program. Green Seal Certified products support environmental responsibility and help achieve sustainability goals.

Quality

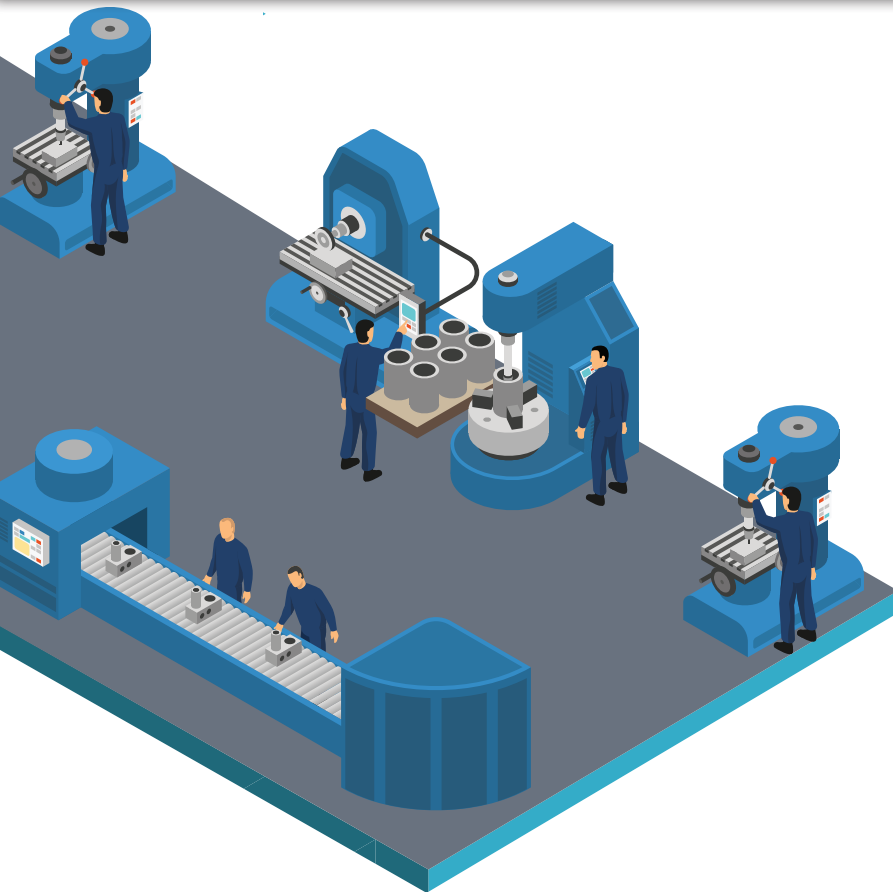

ISO 9001:2015 certified – BHC is proud to be one of the few Jan-San manufacturers to be ISO-certified. We meet this standard with a quality management system committed to consistently providing products and services that meet or exceed customer and applicable statutory and regulatory requirements.

Cost Control

Multi-functional products minimize inventory. [Insure] Forecasting product usage is made easier with dispensing equipment options and trackable single-use packets. Products available in drums and totes to stretch your budget dollars for maximum purchasing power.

PRODUCTION AREA • EQUIPMENT / FLOORS

TerraGreen® Degreaser **Heavy-Duty Degreaser**

High performance, heavy-duty green certified degreaser effectively removes dirt, grease, oils and wide array of soils from floors and production equipment. USDA A1.

Dilution: 1:64 to 1:128

Formula 815MX II **Multi-Functional Cleaner Degreaser**

Heavy-duty degreaser effectively removes dirt, grease, oils and wide array of soils from floors and equipment. USDA A1.

Dilution: 1:64 to 1:128

Formula 711SC **Heavy-Duty Caustic Degreaser**

Heavy-duty pressure washer cleaner degreaser loosens and removes the toughest oils, grease and carbon deposits. The product of choice when nothing else works. USDA A1.

Dilution: 1:10 to 1:100

WAREHOUSE FLOORS

Sudsdown® SC **Deep Scrub Cleaner**

Powerful floor cleaner that effectively removes medium to heavy soils. Low foam for use in automatic scrubbers. Easy to use packet for autoscrubber tanks. USDA A1.

Dilution: 1:128 to 1:256

TerraGreen® Red Diamond **Polished Concrete/Terrazzo Cleaner**

State of the art concrete cleaner, hardener and gloss maintainer when used with a recommended cleaning pad. Safe to use on mechanically polished concrete floors. Helps protect concrete from staining and enhances gloss in one step.

Dilution: 1:512

Hydro RapidFill

For large capacity autoscrubbers, The unit can handle up to 15 GPM (56 LPM) flow substantially decreasing the time required to fill an autoscrubber with properly dosed water and cleaning solution.

HydroMaster

High flow, automatic dilution for large tanks, totes, and drums. Automatically mixes cleaning concentrates with water and dispenses the diluted solution into any container.

SPECIALTY CONVENIENCE PRODUCTS

Spray Glass Heavy-Duty Glass Cleaner

Effectively cleans a wide range of surfaces. Quickly dissolves smudge, film, scum, smear, bugs and all soils. Leaves behind an invisible, dirt-resistant coating.

Stainless Steel Cleaner Cleaner & Polish

No smudge, no fingerprints stainless steel surfaces. Does not contain acid or abrasive substances. Perfect for drinking fountains, elevators, kickplates, fixtures, counters and appliances.

300 Cleaner Heavy-Duty Degreaser

Heavy-duty butyl degreaser effective against a wide range of soils. Removes even the most stubborn grease, dirt, and grime.

Stay Loose Penetrating Lube & Oil

Penetrates and loosens "frozen" parts. Stops and prevents corrosion – displaces moisture. Non-Conducting. Ideal for nuts, bolts, locks, plumbing, electrical fittings and clamps.

TRANSPORTATION SPECIALTIES

No-Streak General Purpose Vehicle Wash

High-foaming detergent cleans vehicles without spotting or streaking. Tough on grease and oil. For use on painted and unpainted surfaces. Contains no phosphates. Perfect for bucket/sponge or use in automatic car washes.
Dilution: 1:128

Over the Road II Heavy-Duty Vehicle Wash

Heavy-duty pressure washer detergent provides effective cleaning and degreasing for trucks and trailers. Tough on grease and oil. For use on painted and unpainted surfaces.
Dilution: 1:100

ReKRETE® Waterless Concrete Cleaner

Contains bio-enzymes that penetrate deep into concrete pores to attack grease and oil stains. Concentrates only on the stain and is faster, greener and less expensive than Power Washing. No rinsing, no contaminated water runoff. Not an absorbent.
